Holloway's Pille - Condition of the Blood, -As the blood, and the blood alone, sustains and renovates every part of the living system it is manifest that no medicine which does not reach the circulation can exterminate disease. Professor Holleway claims that his Pills operate directly, powerfully, and beneficially upon the whole mass of the blood, venous and arterial, nor can we question the fact when we see dyspepsia cared, liver complaint arrested, the oppressed lungs brought into healthy play, and every physical function renewed and strength ened by their agency. That their regulating and purifying effect tends to promote long life as well as to expel disease, there cannot be a reasonable doubt. # Franklin Academy.

THE EXERCISES OF THIS INSTI-I tution wi'l commence on the 1st Monday in January next. The Trustees have at the Store one door South of WM. SAM'L. McCORMICK, whose proficiency in teaching is surpassed by few. Young men can be thoroughly prepared to enter any of the higher institutions of learning in the Southern States. The Village is very healthy, and there is not, at present a

grog shop or place where ardent spirits can be obtained in it.

Boarding can be obtained as cheap as at ther places in private families.

The rates of tuition are the same as those in Academies throughout the State.

The Acudemy building is at present undergoing thorough repairs. The surrounding country will find here advantages which will at least equal those of other places, and to our District are held out such inducements as we believe will obviate the necessity of sending our young

men and boys abroad.

S. B. MASSEY; Secretary. D. c. 9, 1857.
